## The Ship-Harmony of The Seas

**Western Caribbean out of Galveston, TX**

Join us for 7 night aboard the Harmony of The Seas by Royal Caribbean for fun & fellowship with photographers from around the world. This cruise is a small group compared to THE Main Event on land but just as fun. It is your chance to really connect with other like minded people who love photography.

There will be a learning experience at the beginning of the week given by one of our group members. Enjoy dinner every night as a group, attending shows or even going on excursions with one another.

**Visiting the Ports of Roatan, Costa Maya, & Cozumel**
